

Note to potential Facilitators:

It is my hope and intention
to bring together interested facilitators
to teach the classes in the
'ART with a Purpose for VETERANS'
curriculum
to Vets in Service Organizations,
Community Groups, and in homes
with their families...across the entire country.

If you are interested in learning more
about becoming a facilitator contact me

at **Tamlinall@gmail.com** /subject, Facilitator

You will be blessed beyond imagination.
I was.
